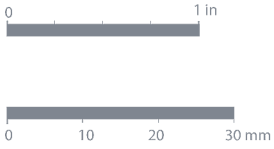
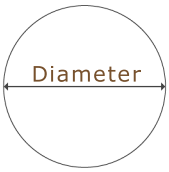
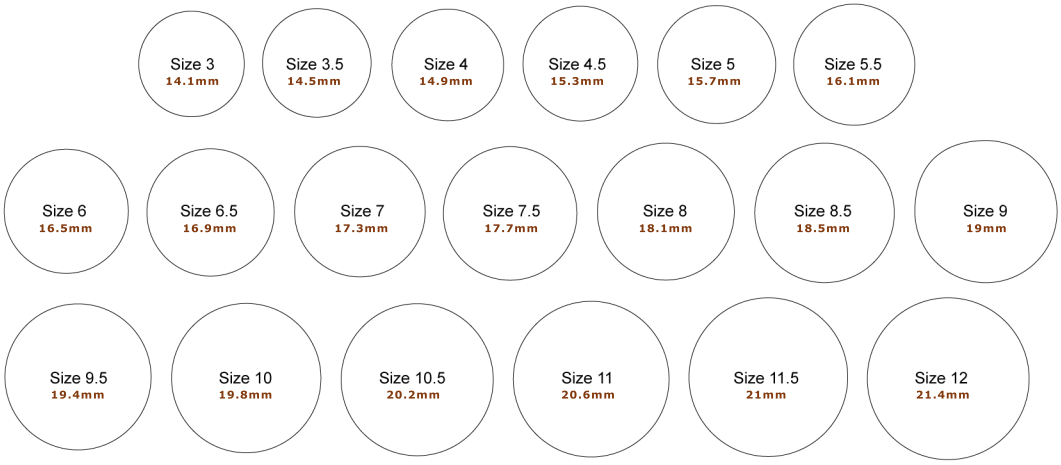
Ring Sizer



Printing Scale of Ring

1. Before printing, Set the page scaling to "none" on your print dialog box.
2. When Printing this should be 1 Inch or 30 Millimeters

Measure a Current Ring




1. Select a ring you have that fits your ring finger correctly (or any finger you intend to wear your ring on).
2. Place the ring over the circles below until the inside of your ring matches a specific circle.
3. If your ring falls between two sizes, order the larger.
